Now, please answer some questions about your experience with video games.

Please note:

For the purpose of this study, we will be using the term "video games" to refer to ANY electronically mediated video game. This includes console games (e.g. Playstation, X-Box, Wii), computer games (online or software based), and portable devices (e.g.

PlayStation Vita, Nintendo 3DS, smartphone). Please answer the following questions honestly and to the best of your ability.
How many years have you been playing video games for? (Please estimate the number of years below)
About how many days in the last <u>month</u> have you played video games? If you played several times in the same day, please count this as one day. (Please estimate the number of days below)
About how many days in the last <u>week</u> have you played video games? If you played several times in the same day, please count this as one day. (Please estimate the number of days below)
During one typical gameplay session, for about how long do you play? (Please estimate the hours and minutes below)
